

Teradomari Fish Market Street

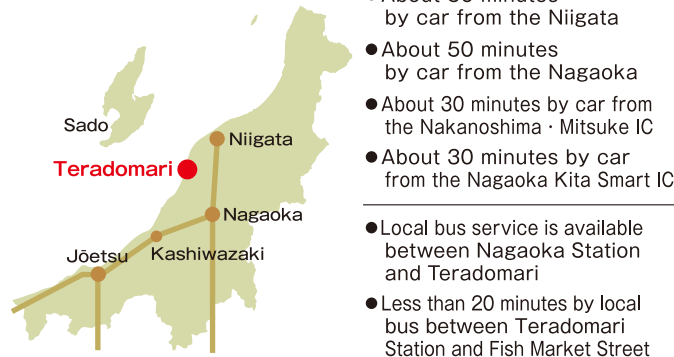

(Known as a fish market of Ameyoko Market Street)

Teradomari Fish Market Street is lined with fresh seafood from the Sea of Japan and seasonal flavors. Well known for its freshness and low prices, you can see a wide selection of products only a port town can offer! Enjoy the Sea of Japan while munching on grilled fish and squid, feeling the sea breeze.

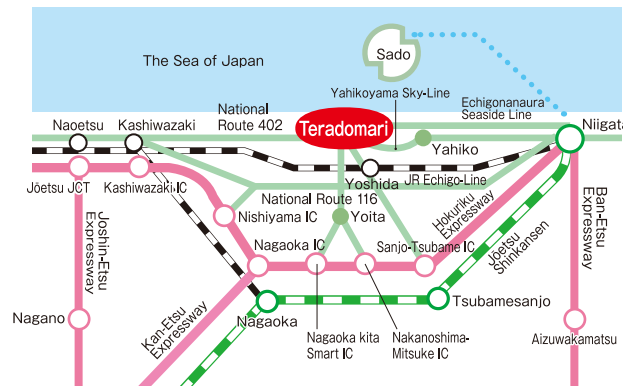

Banya soup

This soup was eaten by fishermen at the guard houses on the Teradomari beach almost every day. Enjoy the taste of Teradomari miso soup made with seasonal vegetables chopped into chunks and fish caught off Teradomari.
